

## Portable Holding Cell

DRC Jails on Demand has a Portable Holding Cell available. This 8' x 20' secure room is portable and is ideal for temporary use.

Most recently it was used in Plaquemines Parish Louisiana during the oil spill for over a year. The Sheriff's Office used this unique facility in Venice, LA to hold arrestees awaiting transport. Perfectly suited for Mardi Gras, Music Festivals or any situation where arrestees need to be detained temporarily.
